

Designed to complement the adorne wall plates, the Nuvo adorne PoE Keypad (NVP20ADxx) offers convenient in-wall control of your Player Portfolio system. It controls volume, play, and pause, as well as next/previous track navigation. Additionally, a single button allows users to easily access five system preset favorites. With its sleek backlit design and available color options (white, magnesium) the P20 pairs simplicity with style. The P20 works in harmony with the Nuvo Player app to keep both control methods in perfect sync, and is powered by a single RJ45 PoE connection.
