

Nuvo
Discontinued - 8-in In-Ceiling Passive Subwoofer
Part No. NVSUBIC8

Delivering a stand-out bass response, the In-Ceiling Passive 8" Subwoofer brings a whole new dimension of detailed clarity to music and movies. With a discrete design that allows for space-saving ceiling placement, the NV-SUBIC8 adds a powerful low-frequency impact to smaller installations. It is an infinite-baffle design to allow maximum placement flexibility. A round magnetic grill is included and a square magnetic grill (NV-RGIC8-SQR) is optional. The NV-SUBAMP100-xx optional matching amplifier offers maximum versatility with a small size and wall-mount capability. The pair are designed to integrate with almost any audio system. A three-position EQ switch allows the amplifier output to be tailored to any Nuvo in-ceiling or in-wall passive subwoofers. One or two NV-SUBIC8 subwoofers may be used with one NV-SUBAMP100-xx. Please wire subwoofers in parallel when connecting two units to one amplifier.

Features & Benefits
