

**On-Q**  
**Discontinued - Keystone Grommet - 2 Pack with Saw**  
Part No. HT3401SWH2PK

The 2 Pack Mini Keystone Grommet with Saw is an in-wall cable management solution designed to hide cables for a professional look. Designed to fit any standard keystone for connectivity behind the wall. Use the included 2-inch hole saw to cut an opening in the ceiling or wall, run cabling, and secure the grommets in under 20 minutes. The keystone grommet utilizes wing clamps that engage behind the drywall to prevent slipping or falling out. Each grommet is compatible with one keystone insert (Cat6, Cat5e, HDMI, etc.).

## Features & Benefits

Compatible with a wide range of keystone inserts, including HDMI, Cat5, Cat5e, and Cat6, for all your wiring needs

Hide cables in the wall and out of sight

Can be securely mounted on walls, desks or ceilings using wing clamps

Comes with a handy hole saw in the package for easy installation - Keep your cables tidy and hidden from view by using this in-wall cable management solution

Quick and easy to install - takes less than 20 minutes!

Includes 2 Keystone Mini Grommets and 1 Hole Saw in the package to get you started
