

Cablofil
4A-FSP-GE 4H FITTING SPLICE KIT (TRA)
Part No. P300000

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Material: Aluminum Alloy 6063 - t6

Finish: Plain

Height (H): Tray height: 4", 5", 6", 7"

Torque: 19 - 25 ft-lbs

Specifications

General Info

| | | | |
|--------------------|------------------------|-------------------|---------------|
| Product Line | Cablofil | Finish | AL |
| UPC Number | 800388200111 | Country Of Origin | Mexico |
| Application Sector | Commercial, Industrial | Standard | UL Classified |
| Type | Splicing | | |

Dimensions

| | | | |
|-------------------|-------------|-------------------|----------|
| Product Width US | 2.02 in | Product Weight US | 0.829 lb |
| Product Volume US | 0.028 cu ft | Product Depth US | 4.023 in |
| Product Height US | 6.0 in | | |
