

Cablofil LD-4A-90HB12-36 AL 4H 90° HORZ ELBOW 12R (TRA)

Part No. P302464

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits			
Includes splices and ha	rdware		
Specifications			
General Info			
Product Line	Cablofil	Finish	AL
UPC Number	800388083295	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Standard	UL Classified
Туре	Cable Tray		
Dimensions			
Product Width US	51.0 in	Product Weight US	13.005 lb
Product Volume US	6.384 cu ft	Product Depth US	51.0 in
Product Height US	4.241 in
