

## Cablofil Horizontal Reducers

Part No. P302709

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Material: Aluminum Alloy 6063 Finish: Plain

Yes

Bottom: LD: 1" wide rung Construction: Welded

Connectors: All fittings are supplied with Fitting heights (H): 4, 5, 6, 7

## **Specifications**

## General Info

Buy American Act Com	pliance		
Product Height US	4.241 in		
Product Volume US	0.508 cu ft	Product Depth US	18.0 in
Product Width US	11.5 in	Product Weight US	3.338 lb
