

Cablofil 90 Horizontal Elbow

Part No. P305394

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits			
Includes splices and hardwa	re		
Specifications			
General Info			
Product Line	Cablofil	Finish	AL
UPC Number	800388112629	Country Of Origin	Mexico
Dimensions			
Product Width US	48.0 in	Product Weight US	13.017 lb
Product Volume US	6.988 cu ft	Product Depth US	48.0 in
Product Height US	5.241 in
