

Cablofil 90 Horizontal Elbow Part No. P308311

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Includes splices and hardware

## Specifications

## General Info

| Product Line      | Cablofil          | Finish             | Aluminum               |
|-------------------|-------------------|--------------------|------------------------|
| UPC Number        | 800388141827      | Country Of Origin  | Mexico                 |
| Bottom Type       | Ladder            | Application Sector | Commercial, Industrial |
| Туре              | Horizontal Elbows |                    |                        |
| Dimensions        |                   |                    |                        |
| Product Width US  | 48.0 in           | Product Weight US  | 14.375 lb              |
| Product Volume US | 8.321 cu ft       | Product Depth US   | 48.0 in                |
| Product Height US | 6.241 in          | Radius             | 36 in                  |
