

Cablofil
90 Vertical Outside Elbow
Part No. P311695

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splices and hardware

Specifications

General Info

| | | | |
|--------------|--------------|-------------------|--------|
| Product Line | Cablofil | Finish | AL |
| UPC Number | 800388175709 | Country Of Origin | Mexico |

Dimensions

| | | | |
|-------------------|--------------|-------------------|-----------|
| Product Width US | 37.5 in | Product Weight US | 10.067 lb |
| Product Volume US | 10.504 cu ft | Product Depth US | 22.0 in |
| Product Height US | 22.0 in | | |
