

Fabricated cable tray wall sleeves from Legrand, provide safe, rigid and aesthetically pleasing support at a wall requiring cables to continue through the wall. Legrand wall sleeves, WPS, are an economical alternative to the support and finish issues of having cable tray penetrate wall and/or floor. This WPS system provides a rigid support for cable tray. After the sleeve is placed in the wall or floor, the loose collar slides over it. Hardware for the tray connection only is included. Hardware required to mount sleeves to the wall or floor is not included.

## Features & Benefits

Provides a rigid support for cable tray at wall penetrations

Overall length of the sleeve is 20"

Will fit walls up to 8" thick

The opening in the wall should be within 1" of the normal height and width of the cable tray

Bonding jumper or ground wire should be installed through the pan between the aluminum cable trays on each side of the wall sleeve

Two pairs of splice plates and fasteners are included for tray attachment

## Specifications

### General Info

Product Line	Cablofil	Finish	Pre-Galvanized
UPC Number	800388204102	Country Of Origin	Mexico

### Dimensions

Product Width US	15.0 in	Product Weight US	35.594 lb
Product Volume US	2.083 cu ft	Product Depth US	20.0 in
Product Height US	12.0 in		

### Buy American Act Compliance

BAA	Yes
