Cablofil

# 4A-SSP-AL-UPCHG 4H STRAIGHT SPLICE KIT

Part No. P321973

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Includes 1 pair splices and hardware

## Specifications

### General Info

| | | | |
|---|---|---|---|
| Product Line | Cablofil | Finish | Aluminum |
| UPC Number | 800388477810 | Country Of Origin | Mexico |

### Dimensions
