

Cablofil
Isolation Pad
Part No. P642664

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Material: (.052") HDPE

Flame Class per UL 94 V-0

Temperature Range: -100 to 160 deg F

Quantity: 1

Use with: 1893 Hold-down Clamp/Guide

UV Resistant

RoHS Compliant

Color: Red

Construction: Blanked & Corrugated for

Specifications

General Info

Product Line	Cablofil	Finish	Other
UPC Number	800388247482	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Type	Accessories

Dimensions

Product Width US	2.75 in	Product Weight US	0.031 lb
Product Volume US	0.005 cu ft	Product Depth US	6.474 in
Product Height US	0.52 in
