

Cablofil Flat Cover Connectors Strap-Style Part No. P644248

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Top and bottom pieces are 1 1/2" wide.

Features & Benefits

For use with indoor, outdoor, or vertical flat covers.

Specifications

General Info

Product Line	Cablofil	Finish	Hot Dipped Galvanized after Fabrication
UPC Number	800388533257	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Туре	Accessories, Covers
Dimensions			
Product Width US	27.0 in	Product Weight US	1.09 lb
Product Volume US	0.158 cu ft	Product Depth US	1.5 in
Product Height US	6.75 in		
Trade Programs			
BAA	Yes
