

Cablofil SB-5A-90VO12-24 AL 5H 90 OVR 12R 24W

Part No. P644272

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding, Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splices and hardware

Specifications

General Info			
Product Line	Cablofil	Finish	Aluminum
UPC Number	800388140110	Country Of Origin	Mexico
Bottom Type	Solid Bottom	Application Sector	Commercial, Industrial
Туре	Vertical Elbows		
Dimensions			
Product Width US	25.5 in	Product Weight US	10.249 lb
Product Volume US	5.903 cu ft	Product Depth US	20.0 in
Product Height US	20.0 in	Radius	12 in
Trade Programs			
BAA	Yes
