

Cablofil
VC-5A-HX12-12 AL 4H HORZ CROSS 12R 12W
Part No. P645324

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splice plates

Specifications

General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388534681	Country Of Origin	Mexico

Dimensions

Product Width US	24.0 in	Product Weight US	14.653 lb
