

Cablofil
SB-7A-60VO36-24 AL 7H 90 OVR 36R 24W
Part No. P645326

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Includes splice plates

Specifications

General Info

| | | | |
|--------------|-----------------|--------------------|------------------------|
| Product Line | Cablofil | Finish | Aluminum |
| UPC Number | 800388534704 | Country Of Origin | Mexico |
| Bottom Type | Solid Bottom | Application Sector | Commercial, Industrial |
| Type | Vertical Elbows | | |

Dimensions

| | | | |
|------------------|---------|-------------------|----------|
| Product Width US | 12.0 in | Product Weight US | 17.37 lb |
| Radius | 36 in | | |
