

Cablofil
A-SPF-HT12-06 AL PKD CVR HORZ TEE 12R
Part No. P645546

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

Features & Benefits

Large peak sheds water and debris

Specifications

General Info

Product Line	Cablofil	Finish	Aluminum
UPC Number	800388535107	Country Of Origin	United States
Application Sector	Commercial, Industrial	Type	Covers

Dimensions

Product Width US	28.035 in	Product Weight US	11.94 lb
Product Volume US	1.611 cu ft	Product Depth US	42.0 in
Product Height US	2.364 in	Radius	12 in

Trade Programs

BAA	Yes
