

Cablofil  
LD-5A-HT36-48 AL 5H HORZ TEE 36 R 48W  
Part No. P645556

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Includes splice plates

## Specifications

### General Info

Product Line	Cablofil	Finish	AL
UPC Number	800388535121	Country Of Origin	Mexico

### Dimensions

Product Width US	45.625 in	Product Weight US	16.338 lb
Product Volume US	11.624 cu ft	Product Depth US	84.0 in
Product Height US	5.241 in		

### Buy American Act Compliance

BAA	Yes
