

Shielded Clarity angled panels utilize a unique recessed angle design to help direct cords with greater ease to vertical rack or cabinet management within a lower profile. This design provides an improved alternative for applications that do not offer rack space for horizontal management. Rugged rear cable management is supplied to support best cabling practices. Industry leading protection against EMI is provided when paired with Shielded Clarity High Density Jacks. The Shielded Clarity panels are available in Black or White with options of angled or flat face and densities to support up to 24 ports in 1RU.

## Features & Benefits

Available in flat and angled	Accepts HDJS series jacks or HDJ UTP jacks
Jacks rear load into panel	Includes rear wire manager and ground lugs
Available in black or white	

## Specifications

### General Info

Product Line	Ortronics	Color	Black
UPC Number	662875020097	Country Of Origin	Mexico

### Dimensions

Product Width US	19.0 in	Product Depth US	7.49 in
Product Height US	1.75 in
