

Includes rear management bar and straps. These modular panels support rear loading of HDFM adapter panels, HDJ adapters and LMH cassettes. Available in 24, 48 or 72 port, in a black or white finish, and in high or standard density, these panels include a rear cable management bar with straps to support a clean and organized look. The construction of the panel is powder-coated steel and is designed for optimal performance. Customize these panels for each application with support for mixed media applications for copper and fiber, and even add individual 40/100G uplinks.

Features & Benefits

| | |
|--|---|
| High density design: Supports up to 48-port in 1RU, Maximizes use of rack/cabinet real estate. | HDJ jacks and adapters mount quick, easily and securely: Speed of install and reliability |
| Compatible with copper jacks and fiber modules: Mixed media and future upgrades | Easy access: Remove and install into loaded parts |
| Ability to configure with choice performance categories and colors | Rear management bar and straps included: Supports good cabling practices. |

Specifications

General Info

| | | | |
|--------------------|-----------------------|-------------------|--------|
| Product Line | Ortronics | Color | Black |
| UPC Number | 662875885955 | Country Of Origin | Mexico |
| Application Sector | Commercial/Industrial | Type | Panel |

Dimensions

| | | | |
|-------------------|---------|------------------|---------|
| Product Width US | 19.0 in | Product Depth US | 6.45 in |
| Product Height US | 1.75 in | | |

Additional Information

| | | | |
|-------------------------------|-----|---|-----|
| RoHS Conformant | Yes | Product Has Potential to Contribute to LEED | Yes |
| Product Environmental Profile | Yes | | |

Technical Information
