

Legrand® rear-loading individual jack panels utilize reduced-size Clarity® 6 and Clarity 5E panel jacks that can be terminated and snap-in from the back of the patch panel. A variety of panel configurations allow a wide choice of field configurable, easy to install horizontal cross connects. Panels are supplied without jacks. Jacks can be ordered individually or in full carton quantities of 24.

Features & Benefits

- Jacks rear load into panels: All terminations done from rear of panel.
- High density solution: Maximizes rack space.
- Universal wiring labels on panel jacks: Supports both T568B and T568A wiring schemes.
- New positive jack latching design: Secure mounting of jacks into panel.
- Panel jacks support snap-in icons: Easy designation of ports.
- Includes rear cable management: Maintains good identification and management practices.

Specifications

General Info			
Product Line	Ortronics	Color	Black
UPC Number	662875618348	Country Of Origin	Mexico
Application Sector	Commercial, Industrial	Warranty Type	5-Year
Type	Panel		
Dimensions			
Product Width US	19.0 in	Product Depth US	6.45 in
Product Height US	1.72 in		
Additional Information			
RoHS Compliant	Yes	Product Has Potential to Contribute to LEED	Yes
Product Environmental Profile	Yes		
Technical Information			
Category Performance Rating	Cat5e	Compatibility	HDJ
