

PlugTail® Hospital-Grade 20A Self-Test GFCI Receptacle. Self-test GFCI Technology - conducts an automatic test every three seconds, ensuring it's always ready to protect. PlugTail® devices and connectors mean that device installation is the same regardless of skill level of the installer. The UL-Listed connectors are keyed to ensure proper wiring installation into each receptacle.

Features & Benefits

Plated steel wrap strap design for maximum durability and corrosion resistance.
