

Pass and Seymour

PlugTail® 20A 125V Hospital-Grade Tamper-Resistant Decorator Duplex Receptacle, Light Almond

Part No. PTTR26362HGLA

PlugTail® Tamper-Resistant Hospital Grade Decorator Receptacle, 20A 125V. PlugTail® devices and connectors mean that device installation is the same regardless of skill level of the installer. The UL-Listed connectors are keyed to ensure proper wiring installation into each receptacle.

Features & Benefits

Dual mechanical shutter system to help prevent .036 inch thick, brass, triple-wipe power contacts for lasting retention. insertion of foreign objects

Plated steel wrap strap design for maximum durability and corrosion resistance.

No exposed terminals create a finger safe application before, during, and after installation.

Built-in connector features large brass terminal blades to ensure consistent, reliable electrical connections.

Ultrasonically welded polycarbonate connector housing secures terminations and conductors in a UL Listed, finger safe housing.

Auto-ground clip assures positive ground.

For covering patents, see www.legrand.us/patents.
