

Ortronics

PowerWise Cat5E solid cord Plenum, double ended 80ft, black

Part No. PW5EP80DB-00

Built with Superior Essex PowerWise® 16 4PPoE cable, these assemblies provide the best performance and overall value for 4 Pair Power over Ethernet (4PPoE) applications requiring up to 100W of power and up to 1 Gigabit Ethernet performance. PowerWise 16 4PPoE assemblies are specifically designed to mitigate temperature build-up, offer exceptional energy efficiency and ensure performance (up to 1 Gigabit Ethernet) over the lifetime of your system.

Features & Benefits

Each cord is factory tested: Ensures every cord shipped meets Category Larger 22 awg conductors: Support higher power 5e component specifications levels with less loss

Premium plug qualified for 22 awg horizontal cable patch cable: Protects Snagless plug design: Protects plugs when pulling performance integrity through the plug termination through cable managers or pathways

Compatible with both T568A and T568B wiring: Provides universal wiring ability

Specifications

General Info

Product Line	Ortronics	UPC Number	662875961260	
Country Of Origin	Mexico			
Dimensions				
Product Length US	80.0 FT
