

With quality you can both see and feel and the affordability you desire, Qbasic clutch type manual shades are anything but your standard shades. You can get the styles you want that coordinate flawlessly with QMotion automated fabrics and fascias, the design features that provide child safety in an elegant device, and the advanced engineering that delivers a smooth and easy lift with less pull force than other clutch-type manual shades.

Features & Benefits

Designed to require less pull force to ease raising or lowering the shade

Smooth and quiet chain lift system

Adjustable upper limit

Nickel plated chain standard with stainless steel upgrade available

Specifications

General Info

Product Line	QMotion	Application Sector	Residential
