

radiant Collection radiant® Two Single Pole/3-Way Switches, Black

Part No. RCD33BK

Control two separate lights or devices from a single location with this combination switch. Both switches feature installation flexibility, usable for single-pole or 3-way applications. Designed to emulate the sleek lines of the collection's paddle switches, it delivers flexible, space-saving control with the sophisticated look of radiant. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits
