

## radiant Collection radiant® 2-Wire Fluorescent Dimmer, White

Part No. RHFB83PW

Upgrade your space with precise dimming and exceptional style. This dimmer is designed for use with 2-wire fluorescent fixtures, and features the clean lines and smooth control of the radiant® Collection. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

## Features & Benefits

Replaces any basic switch or dimmer with ease, in both single-pole and 3-way applications. For use with 2-wire fluorescent lighting fixtures.

Locator light illuminates when switch is off, emitting a soft glow to help you find it in the dark.

No derating\* required for 2-gang applications. \*Reducing the maximum wattage a dimmer can handle. This is sometimes required for multi-gang applications.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

25 in

Low-profile paddle switch offers smoother On/Off control, while a separate, ergonomic slider allows you to adjust light levels with precision.

Constant memory features returns lights to their previous level after a power failure or outage.

Features durable, high-impact resistant thermoplastic construction.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
