radiant Collection
radiant® Wireless Charger, Black
Part No. RWC826USBBKCCV2

The radiant® Wireless Charger instantly provides a convenient in-wall charging station, perfect for clearing space on kitchen counters or crowded nightstands. The first device of its kind, it easily replaces a single-gang outlet to begin wirelessly charging Qi-enabled phones at the wall, while also including a traditional AC power outlet and built-in USB connection to let you charge multiple devices – like phones, tablets, Bluetooth speakers and more – at once. Sleek, screwless Wall Plate included. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Provides convenient wireless charging with a wall-mounted 5W Qi-enabled charger. Also includes an outlet with built-in USB Type-A connection for additional power access.

All Legrand USB Outlets are manufactured through high-quality design, sourcing and production, and backed by a Lifetime Warranty.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

For more information on phone compatibility and Qi wireless charging, visit wirelesspowerconsortium.com.
