

This Single-Sided Horizontal Cable Management Panel is the perfect solution for managing cables within a rack or cabinet in a wide variety of applications. This panel is designed to mount on any 19in EIA style rack or cabinet, and features a unique finger design that protects cables from damages. The cover mounts with six hinge clips to enable the door to be opened one-handed without becoming unhinged.

The fingers begin 3/4in from the rack face to provide cable bend limitation that protects the cables and equipment – ensuring optimum network performance. This panel includes the necessary mounting hardware, so there are no additional parts to order.

## Features & Benefits

Provides a choice of less rack space or more capacity.

No additional parts to order.

Protects cables, equipment and network performance.

## Specifications

### General Info

Product Line	Ortronics	Color	White
Finish	Plastic	UPC Number	662875288244
Country Of Origin	United States	Application Sector	Commercial
Warranty Type	5-Year	Type	Cable Manager

### Dimensions

Product Width US	19.0 in	Product Depth US	7.3 in
Product Height US	3.47 in		

### Additional Information

RoHS Compliant	Yes
----------------	-----

### Technical Information

Compatibility	Mighty Mo, Q-Series	Rack Units	2
Seismic Tested	No	Mounting	Horizontal
