

## Pass and Seymour Discontinued - 15A Extra Heavy Duty Decorator Power Indicating Hospital-Grade Receptacle, Gray

Part No. TR26262HGPIGRY

Built for the harshest medical environments, P&S power indicating receptacles feature two industryexclusive green LEDs that offer clear visual assurance of power indication at the receptacle even with critical equipment plugged into the device. The LEDs operate independently from one another to accommodate split-circuit wiring installations. Tamper-resistant protection comes standard with each receptacle to further enhance safety.

## Features & Benefits

Auto-ground clip assures positive Dual mechanical shutter system to help prevent insertion of foreign objects. ground. Backed-out tri-drive brass terminal Easily accessed break-off line-contact connecting tab for fast and easy split-circuit wiring. screws for faster installation. Two back wire holes for additional wiring Internal screw-pressure-plate back and side wire capability. flexibility. Corrosion-resistant plated steel strap is locked in to face and back body to resist pulling .032 inch thick brass triple-wipe power away from the face/body assembly. contacts. Two drive screws anchor steel strap to back body and face where abrupt removal torque is For covering patents, see greatest. www.legrand.us/patents.

Specifications					
General Info					
Product Line	Pass & Seymour	Color	Gray		
Country Of Origin	Mexico	Application Sector	Hospital Grade		
Standard	CSA Listed, UL Listed, FSUL				
Listing Agencies / 3rd Party Agencies					
cULus Listed	Yes				
Technical Information					
Dielectric Strength	Withstands 2000V minimum	Phase	Single		

Connection	Side & Back Wired	Number of Wires	3
Temperature Rating	-40° - 60° C	Amperage	15 A
Number of Poles	Double Pole	Wire Size	14 - 10 AWG
Voltage	125.0 V	Environmental Conditions	UL94 V2
