

radiant Collection radiant® Spec Grade 20A Tamper-Resistant Receptacle, Dark Bronze

Part No. TR26352RDBCC6

Take a step up from the standard. This tamper-resistant duplex receptacle installs easily for the basic power every space needs, while featuring the sleek, clean lines of radiant® for a sophisticated look. 20A outlets are ideal for use with larger appliances and in commercial settings, as well as to meet regional requirements (Chicago, Canada). Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. Spec-Grade devices are engineered to meet federal specifications for use in commercial installations.

Features & Benefits

Dual mechanical shutter system to help prevent insertion of foreign objects.

.032-inch thick brass triple-wipe power contacts for reliable plug retention.

Easily accessed break-off, line-contact connecting tab for fast, easy split-circuit wiring.

Impact-resistant nylon face for durability.

Auto-ground clip assures positive ground.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
