

Ortronics Telco Style Tubular Runway- 12 in - Black- 9 ft - 8 1/2 in

Part No. TRT10-12B

Flexibility is the key to cable management. Legrand® Cable Runway is designed to adapt to each twist and turn cables must make. Made of lightweight rectangular steel tubing, the runway reduces floor loading and is easy to install and maintain. Steel meets stringent specifications for yield and tensile strength, assuring a strong, light weight product that easily supports and delivers overhead cable.

Features & Benefits

Made of light weight rectangular steel tubing: Reduces floor load and is easy to install and maintain.

Tubular cross slats are welded between the stringers and feature rounded edges: Cable protection.

Steel meets stringent specifications for yield and tensile strength: Assures a strong, lightweight product that easily supports and delivers overhead cable.
