

## Wiremold FlameStopper(TM) 4" Kit Part No. FS4R-RED-K6

The Flamestopper 4" Kit is a complete, UL-classified, fire-rated pathway solution that combines Flamestopper fittings with preconfigured conduit to simplify installation and maintain the integrity of fire-rated walls. Designed to deliver up to 4-hour fire and thermal ratings, it eliminates the need for messy, field-applied firestop materials while supporting moves, adds and changes with rework. By providing a ready-to-install, inspection-friendly system with low air leakage and integrated intumescent protection, the kit helps contractors and facility teams achieve faster installs, cleaner job sites and consistent, code-compliant performance over time.

### Features & Benefits

- Complete Kit with Fitting & Conduit: Reduces install time with a ready-to-use solution, minimizing field prep and assembly
- Up to 4-Hour Fire & Thermal Rating: Helps maintain the integrity of fire-rated walls and floors in demanding environments
- Supports Moves, Adds & Changes (MAC): Allows cable updates without removing or reworking firestop materials
- Integrated Intumescent Protection: Expands under heat to help seal penetrations and limit flame smoke spread
- Clean, Inspection-Ready Design: Improves consistency, visibility and compliance compared to traditional firestopping methods
- Use with concrete floor with minimum of 4 1/2" [114mm] depth.

Total cable fill area: 14.7 sq in.

### Specifications

#### General Info

Product Line	Wiremold	Color	Red
Finish	Powder Coat	UPC Number	786776201109
Country Of Origin	United States	Material	Epoxy-Painted Metal, Steel
Application Sector	Commercial	Warranty Type	1-Year from Installation or 2-Years from Day of Sale
Type	Kit, Penetration Sleeve		

#### Dimensions

Product Width US	6.07 in	Product Depth US	10.48 in
------------------	---------	------------------	----------

---

Product Height US	6.4 in	Core Hole Size	4.75 in
-------------------	--------	----------------	---------

---

### Additional Information

---

Energy Savings	No
----------------	----

---

### Technical Information

---

Floor Type	Concrete	Is Pre-Wired	No
------------	----------	--------------	----

---

Service Capacity	Single	Fire Rating	4 Hours
