

A durable, pre-fabricated EV charging foundation box designed for quick two-person installation, broad charger compatibility and easy access for maintenance and future upgrades.

Features & Benefits

Streamlined Installation: Clean, fast and simple install

No Concrete Required: Reduces the reliance on poured concrete

EV-Ready Solution: Ideal for future-proofing your site

Easy Access Design: An easy-to-drill top plate access point simplifies maintenance, reducing time and effort for repairs and replacements.

Pedestal Compatibility: Designed to fit all existing EV Pedestals, XEVPEDCM1, XEVPED1, XEVPED2

Specifications

General Info

Product Line	Wiremold	Color	Black
UPC Number	786776201031	Country Of Origin	United States
Material	Aluminum, Polypropylene	Conduit Size	4 in
Installation Location	Outdoor	Application Sector	Commercial
Type	Base		

Dimensions

Product Width US	18.0 in	Product Depth US	18.0 in
Product Height US	24.1875 in	Product Length US	27.0312 in

Additional Information

Energy Savings	No
----------------	----

Technical Information

Is Pre-Wired	No	Enclosure Type	Polypropylene
--------------	----	----------------	---------------

Load Capacity	2204 lb	Number of Channels	4
