

Wiremold  
NEMA 14-50 EV Outlet Kit for Outdoor Power Pedestal  
Part No. XPP1450EV

Get EV-ready by pairing our NEMA 14-50 EV Outlet and included while-in-use cover with any Outdoor Power Pedestal for a quick, low-cost EV solution install. Perfect for multifamily applications where drivers can use their own chargers right at the parking space.

## Features & Benefits

**Cost-Effective UL Listed EV Charging:** Deliver reliable, code-compliant Level 2 EV charging right at the parking space without committing to full charger deployments.

**Smaller Footprint, Cleaner Look:** EV-ready power with a streamlined design that blends seamlessly into outdoor spaces

**Weather-Rated NEMA 14-50 EV Outlet:** Drivers can plug their own chargers into convenient and safe Level 2 charging designed for outdoor environments.

**Outdoor Power Pedestal Compatibility:** Designed to work with all Legrand 2-gang Outdoor Power Pedestals

**Included While-In-Use UL Cover:** Bubble-style cover helps protect the outlet from weather exposure while allowing chargers to remain plugged in during use

## Specifications
