adorne Collection

adorne® Smart Surface-Mount Gateway with Netatmo, Graphite

Part No. WNAH2G1

The smartest way to take control of lights and power, optimized for whole home use. Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

Features & Benefits

The foundation of an adorne with Netatmo solution, the surface-mount Gateway is cleverly designed to install easily beside an existing single-gang switch or outlet, no back box or network wiring required.

Ensures ultra-reliable performance through a robust and dedicated mesh-network.

Controls lights, from anywhere, via smartphones and tablets through the Legrand Home + Control app. Schedule lights to turn on/off automatically, create groups, set scenes, monitor energy usage and more.

Provides easy, one-touch control of Home and Away lighting scenes. The Home/Away Wireless Smart Switch installs anywhere, without wires or cutting, and is simple to manage using the Legrand Home + Control app.

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems.

Part of the adorne with Netatmo solution, which flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets (including wireless switches and dimmers).

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
