

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, radiant® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Use this battery-operated smart scene switch to control up to four full lighting scenes with one touch. Add to any wall, no wires or tools needed, then create your scenes easily within the app. A great addition for living rooms, dens and more, the switch makes it simple to quickly set the perfect lighting for a movie or game night. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.
