

Wireless Receptacle Control products facilitate Auto-On/AutoOff occupancy-based control of plug loads without the need to wire receptacles to power packs. A WRC transmitter works with WRC RF-enabled relay-controlled receptacles.

Features & Benefits

Controls plug loads to meet new energy code requirements

Transmits occupancy sensor status to controlled receptacles

Leverages lighting control sensors for improved ROI

Simple retrofit solution works with new or existing wiring

Binding buttons provide convenient On/Off override and testing capability

Choice of 15A or 20A receptacles

Specifications

General Info

Product Line	Wattstopper	UPC Number	754182938902
Country Of Origin	China		

Dimensions

Product Width US	3.52 in	Product Weight US	2.2 oz
Product Volume US	24.0 cu in	Product Depth US	3.52 in
Product Height US	1.94 in
