

## Wiremold Charging Station, 2-Gang, (2) 4-Port USB-A Outlets - Silver Part No. XCSPP2GUU-SV

The Power Pedestal is ideal for areas that are already illuminated, such as outdoor dining areas. Shorter height enables use besides tables or as a lower-profile solution in landscaping. Station includes two 4-Port USB Outlets.

## Features & Benefits

Combine power with area lighting in one pedestal to maximize functionality of outdoor spaces.

Durable, Premium Finishes - Available in three outdoor-rated finishes to complement or silver.

Add up to two pairs of shelves to hold mobile devices while charging

Enables pedestal to support outdoor presentation areas and classrooms, eliminating the need to bring cables from inside a building.

Outdoor-Rated Construction – Rugged aluminum form designed for durability in all weather conditions. UL listed to NEMA 3R requirements to ensure optimal performance.

Add an A/V-Communication Kit to 3-gang versions to accommodate Wiremold your space design. Choose from black, bronze AVIP plates as well as decorator A/V or communication devices.

> Interior illuminates when door is open. Replace standard color-matched door with a transparent version to make devices inside more visible. Or, select a lockable door for added security or to ensure use is limited to facility personnel.

## **Specifications**

## General Info

Product Line	Wiremold	Color	Silver
UPC Number	786776186284	Country Of Origin	Mexico
Features	USB-A Charging	Application Sector	Commercial
Standard	cULus Listed, File Number E479489, Guide PUPR	Туре	Charging Stations
Installed Devices	4-Port USB-A		

Dimensions			
Product Width US	6.0 in	Product Weight US	35.0 lb
Product Height US	34.0 in	Product Length US	8.0 in
