

Wiremold
Discontinued - 50 AMP COMPACT DISTRIBUTION ** **060722**
Part No. XDU50AHNDL

Legrand Rugged PDUs feature enhanced durability and enable easy setup to increase team productivity while meeting code.

Features & Benefits

Unit includes six NEMA 5-20R duplex GFCI-protected receptacles and one L6-30R receptacle.

Unique design enables NEMA 3R while-in-use listing, allowing safe operation indoors and outdoors.

Metal flip covers protect circuit breakers from damage and weather.

Units include handles and are stackable.

30A unit has an L14-30 input for power. 50A unit has a CS6375 50A input for power.

Rugged PDU does not include panel-mount GFCIs, enabling longer durability and less chance of GFCI damage.

Multiple units can be daisy-chained together.

Heavy-duty powder-coated steel skids to ensure rugged, dependable jobsite performance.
