

Outdoor Power Pedestal

Features & Benefits

The outdoor power pedestal is a durable solution for high amperage applications (15-60A).

Available in several versions to accommodate 1-gang, 2-gang or pin and sleeve devices.

Standard height is 30" but custom heights are available.

Pedestal does not include devices. 15-20A devices must be weather-resistant and used with an in-use cover. 30-60A devices must be watertight.

Pedestal can be used to provide power for outdoor equipment, food trucks, and other events.

Unit is also available with a divider for 2-gang applications to enable low voltage along with power.

Durable sheet-metal construction and outdoor-rated paint stands up to weather conditions and harsh environments.
