Wiremold Outdoor Power Pedestal, 2-Gang Device Plate with Hinged Cover and Internal Divider Part No. XPP2G30CD-BK

Outdoor Power Pedestal with Cover

Features & Benefits

| The outdoor power pedestal is a durable solution for high amperage applications (15-60A). | Pedestal can be used to provide power for outdoor equipment, food trucks, and other events. |
|-----------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| Available in several versions to accommodate 1-gang, 2-gang or pin and sleeve devices. | Unit is also available with a divider for 2-gang applications to enable low voltage along with power. |
| Standard height is 30" but custom heights are available. | Durable sheet-metal construction and outdoor-rated paint stands up to weather conditions and harsh environments. |
| Pedestal does not include devices. Included cover can be used to protect 15-20A weather-resistant devices. 30-60A devices must be watertight. | Cover also includes locking mechanism to keep connections secure. |
