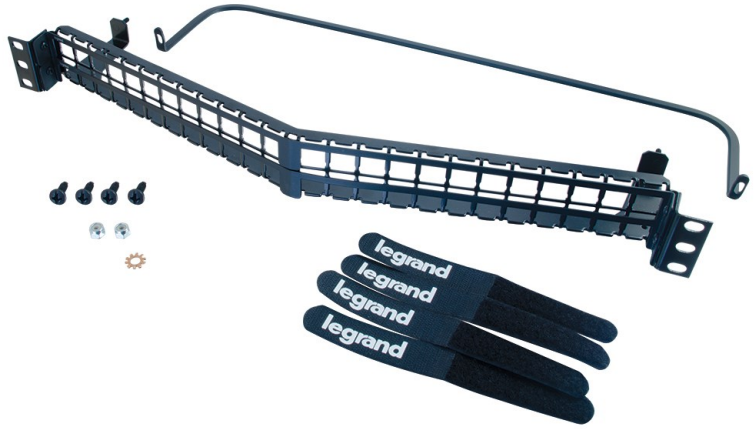
DATA SHEET



Infinium HDJ Series 48-Port Unloaded Angled Panel with Label Kit, Black

High density 1RU 19-inch unloaded angled panel for rear loading HDJ fiber adapters and HDCA fiber cassettes. Panel includes a labeling kit created specifically for fiber solutions.

OVERVIEW

The Infinium HDJ Series 48-Port Unloaded Angled Panel with Label Kit supports rear loading of HDJ fiber adapters and HDCA fiber cassettes. This high density panel includes a rear cable management bar with straps to support a clean and organized look. The panel is made of black powder-coated steel and is designed for optimum performance, saving valuable rack space by occupying only 1RU. The included label kit was created specifically for fiber applications and allows for easy and intuitive port identification.

FEATURES

- **High Density Design:** Maximizes use of rack/cabinet real estate.
- **Rear Loading:** Preferred mounting for panels, with quick and easy installation.
- **Labeling Kit:** Provides easy and intuitive port identification.
- **Rear Management Bar and Straps:** Supports a clean and organized look.
