Wave hello **to cleaner control.**

The Wave® Switch lets users turn lights on, or off, with just the wave of a hand, providing a germ-and-worry free, touchless solution that's perfect for homes, hotels, offices and more. From kitchens and bathrooms, to clinics or conference rooms, creating cleaner spaces starts with cleaner control.

Cleaner control, added convenience.
Features innovative touchless technology to provide on/off control – no contact required. Perfect for use in shared spaces as well as anywhere hands get dirty...or even just full.

Adjustable range.
Internal sensor adjusts to respond to movement anywhere from 1" to 6" from the switch face to better fit any space, need or preference.

Broad applicability.
Available in both 15-Amp and 20-Amp versions to fit any project or application. Also rated for up to ¾ Horsepower (1/2 HP for 15A version) allowing control of small motor loads.

Durable construction.
Manufactured through high-quality design, sourcing and production to withstand even rigorous cleaning practices for lasting, dependable performance.

Quick installation.
Replaces any standard, existing switch in as little as 15 minutes.

Designer style.
Elevates any space with the sleek lines of the radiant Collection. Complete the look with a screwless wall plate, available in nine classic colors and metallic finishes to complement any décor.
