

adorne Collection adorne® Gloss White-on-White Five-Gang Screwless Wall Plate with Microban® Part No. AWP5GWHW1

Ideal for all-white projects wanting a look that is bright and clean, with a hint of added sheen. Made exclusively for use with designer switches and outlets from the adorne® Collection. This wall plate* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. * Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label. No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology.	Includes one Wall Plate and one Steel Frame for mounting the wall plate.
Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology	A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.
