

The Flat Screen TV Pro Power and Cable Management Kit provides everything needed to extend power to wall-mount TV installations. The kit includes everything needed to take power from an existing receptacle and extend it through the wall to a recessed wall box designed to fit behind a wall-mounted TV. The kit is available in both black and white top box colors.

Features & Benefits

Duplex receptacle powers multiple devices such as a TV, sound bar or streaming players

Unique decorator based power inlet strap provides flexible project support for ganging other AV connections.

HDMI Cables Support: 18.2Gbps bandwidth, UltraHD - 4k@60Hz 4:4:4, High Dynamic Range (HDR), Deep Color, ARC, Ethernet

Recessed receptacle supports almost any type of power plug including right angles and wall warts.

Premium HDMI Certified to comply with the HDMI 2.0b specification.
