

**Cablofil**  
**45 Horizontal Elbow**  
Part No. P308350

The aluminum I-beam design of ITray is perfect for industrial installations with large diameter cables in long span situations, minimizing total tray width and creating a smooth transition between straight sections and fittings. A structural offset in the sidewall creates strong, mid-span splices that need fewer supports. Each splice snaps in place and stays without holding. Additionally, only four bolts are needed for each splice reducing hardware needs by 50%. These features allow Itray to be installed up to 30% faster than standard tray.

## Features & Benefits

Includes splices and hardware

## Specifications

### General Info

Product Line	Cablofil	Finish	AL
UPC Number	800388142213	Country Of Origin	Mexico
Application Sector	Commercial/Industrial	Standard	UL Classified
Type	Cable Tray		

### Dimensions

Product Width US	29.625 in	Product Weight US	6.003 lb
Product Volume US	3.277 cu ft	Product Depth US	30.625 in
Product Height US	6.241 in		

### Buy American Act Compliance

BAA	Yes
