

radiant Collection radiant® One-Gang Screwless Wall Plate with Microban® Part No. RWP26WAMCC6

This Wall Plate features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product.

Designed to complement any space, the radiant® Collection features sleek, screwless wall plates for cleaner lines and a sophisticated touch. Pair this one-gang option with your preferred radiant® switch, dimmer, and/or outlet for a completed look that's a step above ordinary.

This product is not currently available for sale in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

Designed to exclusively fit the designer switches, dimmers and outlets from the radiant® Collection, snapping into place with ease.

Molded of highly durable polycarbonate, Wall Plates from the radiant® Collection are available in an array of classic colors and metallic finishes.

Adds a touch of sophistication to any space with a sleek, screwless face and low-profile. Sized to fit even over ragged openings for a seamless look.

Ensures proper plate positioning with subplate screws.
